1. You can work for Me or you can work for money. Most people spend their entire life working for money, and if they include Me, I'm just an appendage to the core focus of their life—I get the dregs.

2. I'm giving you a forum to tell them I'm more then they've let Me be in the past, the envy of many Ted, for you to do what I want done today—Isaiah 61.

3. My message, My scripture for you today is Isaiah 61. I've spoken of this today already. But this is what I want to speak. Open the eyes of My people the way I opened yours to this scripture—to My heart.

4. Seek Me for more revelation of My word and how I've revealed Myself in it, and how I've revealed My value system and My spirit life that I want to propel you.

5. Father the fatherless, feed the hungry, go where I direct, school the unschooled, and raise the spirit/soul of every thinker/mind that lets you.

6. I will leaderize the leaderless until such time as I can lead them from My heart.

7. Learning systems of Me, learning systems of Me, learning systems of Me—raise up learning systems of Me, and Ted, Isaiah 61 will come alive and permeate your school systems and inverted it shall be from man's ways, controverted from constricted logic and rationale of those in little worlds, and yielding to My gift of adventure in My big world.

8. On dirt floors to marble hallways of glass and brass and prowess, yielding to Me and My servants, My sons and My daughters, My friends. My body, My Me. Mine, in freedom, in joy, in love, for Me.

9. Ted I speak and I am speaking but so many don't know the difference of My voice into their spirit/soul from their own thoughts in their thinker/mind. You have matured much in this area and must mature much more so.

10. Teach it, teach it, teach it. Free the spirit/souls of My people from the dictates of their thinker/mind and let them soar toward freedom in Me.

11. So much freedom, so much freedom, so much love, so much joy await those who will embrace Me, My heart, My power, My way.

12. More, more, more, not driven, led, led by Me, led by peace beside still waters, still waters, still waters, so they can deal with the rushing waters of My spirit and what I am doing in the earth today, in the halls of both power and orthodoxy.
